V. SERVICE REPAIR DURATION

The general cleaning and maintenance of CCC-CCO air conditioning units are twice a year, scheduled on June and December 2024 annually and shall not be longer nor less than seven (7) days at the given schedule of general cleaning. If delay occurs the service provider or supplier is required to inform the CCC-CCO representative regarding any delay, liquidated damages may apply. The CCC-CCO has the right to withhold payment and deduct from the Contract Price, as liquidated damages, the applicable rate of one-tenth

(1/10) of one (1) percent of the cost of the unperformed portion for every day of delay until actual delivery or performance

VI. TERMS OF PAYMENT

Payment shall only be made within five (5) working days upon receipt of the company/supplier's billing statement and the Inspection and Acceptance Report/ Certificate of Completion from the end user representative of the job/service completed.

The CCC-CCO shall not be held liable for any delay in the payment under reasonable and acceptable circumstances.

VII. TERMINATION

CCC-CCO has the right to terminate the agreement in case that the Service Provider has committed breach of obligation contained in this Terms of Reference, which cannot be remedied within the bounds of the statutory and regulatory requirements within three (3) working days with written notice.

VIII. WARRANTY

A thirty (30) days warranty for water drip for each cleaned air conditioning unit of Climate Change Commission.

IX. EFFECTIVITY

The agreement between the CCC-CCO and the Service Provider shall be effective upon the approval by the former and the acceptance by the latter, and shall continue, unless terminated sooner or until the completion date to be delivered.

X. APPROVED BUDGET OF CONTRACT

The price quotation should not exceed the Approved Budget for Contract (ABC) of Seventy-Six Thousand Five Hundred Pesos Only (Php76,500.00) inclusive of VAT and all other applicable taxes and charges.

Bids received in excess of the ABC shall be automatically disqualified during bid evaluation.

The quoted price shall be valid for thirty (30) days from the date of submission and shall not increase during the term of contract.
